Subject: Declining Conference Call and Requesting Judge Merle's Guidance

Dear Mr. Moser,

I hope this message finds you well.

After careful consideration, we must kindly decline the proposed conference call at this time, obviously this was a chance for you to remedy.

We believe that your filing of a document that was intended to be joint, without our consent, is contrary to both ethical standards and the instructions provided by the court and Judge Merle.

In light of this, we feel it is appropriate to seek guidance directly from Judge Merle regarding this matter.

We trust that the court's direction will help ensure clarity and fairness as we proceed.

Thank you for your understanding.

Best regards,
Massimo Gammella
